Movers.—Mr. Doddalinga Naik (Hiriyur Taluk) and other Representative Assembly Members of the Chitaldrug District.

25. This Assembly recommends to the Government of His Highness the Maharaja that a parallel course for girl candidates in the college studies as well as in the high school be introduced giving such cultural subjects as music, painting, domestic science, languages, the same place as is accorded to science and mathematics in the existing curriculum, and if these subjects cannot be introduced in the college classes in the near future on account of financial stringency, at least they may be allowed to be taken in the S.S.L.C. course by the candidates who intend taking history in the college course.

Mover.—Mr. R. Chennigaramiah (Minorities).

31. The Urdu schools in the State are not working properly on account of the present C. R. B. Rules according to which the C. R. B. If a school master goes on three months' leave, it takes two or three months to appoint a substitute in his place as the vacancy has to be reported to the C. R. B. This Assembly recommends to the Government of His Highness the Maharaja that, in order to remove this defect, the local education authorities may, as before, be entrusted with the work of filling up of temporary vacancies which will conduce to proper work as candidates of other castes will not apply for posts in Urdu schools and as there appears to be no trouble in changing the rule.

Mover.—Mr. Mahomed Akbar Sheriff (Minorities).
